**Chairman:** P. Sp. Dakos  
**Managing Director:** A. Dakou  
**Export Manager:** L. Georgopoulou

Helios Pasta Industry was established in 1932 and since then it is well-known not only in Greece, but also abroad for its high quality products, which come in more than 50 different shapes (Golden Spaghettini, Golden Manestra, Spaghetti Espressi, Vermicelli Fine and Coarse, Tagliatelle, Noodles with milk and eggs, Tricolore pasta with tomato and spinach, Whole wheat pasta), all of them made from 100% pure Semolina of Durum Wheat.

In order to meet its fast-growing activities Helios Pasta Industry has also expanded in the Aegean islands market under the brand name of «Rosol» (Spaghetti, Spaghettini, Twist, Penne Rigate, Orzo) and placed an Italian pasta product on the market with the trademark «San Antonio» (Spaghetti, Spaghettini, Rigatoni, Penne, Penne Rigate, Twist).

Our products are made from 100% high quality pure Semolina of durum wheat which is produced in our mills «Dakos Mills». «Dakos Mills» company is our supplier exclusive. Our products are automatically processed and packaged under the most highly-technological and strict specifications ensuring both high-quality and perfect appearance.

Helios Pasta Industry with a long-standing tradition in the field of pasta-making has recently introduced high-quality new products.

- Added now to Helios wide range of products is semolina, which come in two types: coarse and fine. The raw material for the product, is exclusively supplied by «DAKOS MILLS», after strict specifications, resulting in a food product most suitable for consumption. Both the production line and packaging are fully automated, ensuring perfect appearance and stable quality.

- In 1990, Helios Pasta Industry launched the «Spaghetti Espressi», a pasta ready to serve in 2 minutes only, which achieved the greatest revolution of the last decades in pasta industry.

- Helios Pasta Industry is working on the launch of organic products in the Greek and international market.

- Helios Pasta Industry is also working on the launch of flour in the Greek and international market. High quality flour from soft wheat, which will help carry-out all cooking and pastry-making creations.

- Helios Pasta Industry has started a new activity in the field of catering. Nowadays, our productivity reaches more than 36.000 tons of pasta.

Helios Pasta Industry has expanded its exporting activity to Africa, Albania, Armenia, Australia, Austria, Bahrain, Belgium, Bulgaria, Canada, Czech Republic, England, Ethiopia, Finland, France, Georgia, Germany, Holland, Japan, Jordan, Latvia, Lebanon, Poland, Qatar, Romania, Russia, Saudi Arabia, Serbia, Skopje, Sudan, Ukraine, U.S.A., Yemen etc.

From the very beginning of its establishment (70 years ago) Helios Pasta Industry is strictly devoted to quality. The excellent quality of all the HELIOS products has been recognized by internationally known organizations, which have awarded the industry numerous prizes.
