CHAIRMAN: Panayiotis Sp. Dakos
GENERAL MANAGER: Emmanuel Papadakis

PRODUCTS:

Macaroni No 2,3,5,6,7,10, lasagne, spaghetti D'oro, chryssi spaghetti, spaghetissimo, spaghetti espressi, rice, capelli D'angelo, tagliatelles, tagliatelles with spinach, wide variety of small pasta for soups, home made pasta, semolina, wholemeal and tricolored.

ADDITIONAL INFORMATION:

The industry was established in 1932 and its products were initially marketed under the brand name "Sante". During the Second World War the industry ceased operation and re-commenced production after the end of the war, under the

present name of "ILIOS" pasta industry. The first factory was built in the Metaxourgio area and operated until 1972 when it was transferred to a new modern building in Metamorphosis, Attica (Nat. Road Athens-Lamia No. 37). In 1992 the company was awarded the "Golden Trophy for Quality" prize at the International Exhibition in Madrid. As one of the largest pasta industries in Greece, the Company ILIOS believes in quality as being its basic principle. Factory production annual output is in excess of 16000 tons of pasta and all production procedure is fully automated ensuring the highest quality possible. A continual presence in the Greek market during the past 60 years, combined with a new organized sales network throughout Greece and respect for the consumers' needs, has furnished the ILIOS PASTA INDUSTRY with the right to enjoy the advantages of its success as one of the largest pasta industries in Greece.
